Justin Trudeau: Mind-Controlled Illuminati Poster Child?

September 22, 2019

Justin Trudeau's visceral hatred of males (re. he says it's *peoplekind*, not mankind) and Canada's European heritage has made him an international laughing stock. His blackfaced history seals the deal. Many now question his mental stability. Are these the symptoms of having been a victim of MK-Ultra mind control and pedophilia? Our political leaders all belong to the Illuminati satanic cult that sexually exploit and trauma

brainwashes their children.

Are the effects of this traumatic childhood now playing out?

In his father's eulogy, Justin Trudeau seems to allude to MK-Ultra pedophilia and mind control.

COMMON GROUND (2014) by Justin Trudeau

Reviewed by Ann Diamond
(henrymakow.com)

Justin Trudeau's autobiography "Common Ground" was not easy to review. Its unspoken subtext involves abuse due to the Illuminati/Luciferian background of both sides of his family.

In her book, TRANSE-FORMATION OF AMERICA

(<https://web.archive.org/web/20210706072933/https://books.google.ca/books?id=exFyBQAAQBAJ&pg=PT91&lpg=PT91&dq=pierre+trudeau+pedop%C4%A5ile&source=bl&ots=CUazQLiot-&sig=Y5aABLDh7NxM3ZddppqeYY0044U&hl=en&sa=X&ei=liMxVYatG9ewyASzrYDACw&ved=0CDMQ6AEwBA#v>

(1995) MK-ULTRA survivor Cathy O'Brien stated that many world leaders, including Pierre Trudeau and Brian Mulroney, are pedophiles. She met them in the course of her life as a sex slave trained (with her young daughter) to service high-profile politicians. Other sources support Cathy O'Brien's allegations.

Over the years, insiders have told me that Pierre's 1968 marriage to Margaret was "arranged" by the military. The couple was programmed with LSD at a remote farm in British Columbia.

(With George Soros. Justin is an errand boy for the Communist wing of the Illuminati conspiracy. Opposition leader Andrew Scheer is an errand boy for the Zionist wing.)

According to Trudeau's Jesuit mentor, Trudeau ordered the kidnap and murder of his enemy Pierre Laporte

(https://web.archive.org/web/20210706072933/https://en.wikipedia.org/wiki/Pierre_Laporte) in October 1970, because Laporte was threatening him with blackmail and exposure as a pedophile.

After Margaret ran off with the Rolling Stones in 1977, the marriage was over. Soon after, as a single father, Pierre turned to a York University sociologist, John Seeley, for parental advice (<https://web.archive.org/web/20210706072933/https://tspace.library.utoronto.ca/handle/1807/43489>).

John Seeley,

(<https://web.archive.org/web/20210706072933/http://m.independent.com/news/2008/jan/31/john-r-seeley-1913-2007/?templates=mobile>) a self-proclaimed 'sadist and pedophile' would fly up to Ottawa on weekends to "advise" Pierre on how he should be raising his three sons. Justin was six. (See also this article.)

(<https://web.archive.org/web/20210706072933/http://canadianbritishhomechildren.weebly.com/dr-john-r-seeley.html>).

Quite a childhood. First the trauma of being separated from the mother he adored, then frequent exposure to his father's unsavory friends.

Children often idealize their abusive parents. During his eulogy at Pierre's funeral

(<https://web.archive.org/web/20210706072933/https://www.youtube.com/watch?v=5p4NUJMPAjQ>), a smiling 28-year-old Justin seemed dissociated, almost giddy. He began the eulogy with a weird story about a trip he took at age six, with his father and grandfather "to the North Pole," to a

"military installation" at Alert NWT.

(https://web.archive.org/web/20210706072933/https://en.wikipedia.org/wiki/Alert,_Nunavut).

There the awe-struck boy discovered Santa Claus and "that's when I understood just how powerful and wonderful my father was."

Carolyn Hamlett, a victim of Illuminati mind control and pedophilia, said these abuses took place at military installations.

(https://web.archive.org/web/20210706072933/https://www.henrymakow.com/the_making_of_an_illuminati

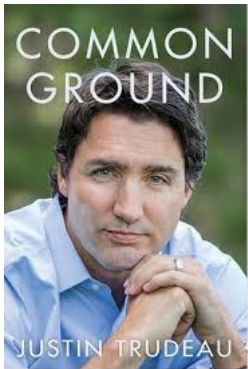

Is Justin referring to MK-Ultra brainwashing? In general, the eulogy rings insincere and hollow.

There is no trace of love or grief. His father had little time for his children.

A few years ago, I was shown a 1984 letter signed by Pierre Elliot Trudeau expressing enthusiastic interest in meeting a ten-year-old boy. The letter may have been used in a blackmail attempt by the boy's father.

If Pierre Trudeau was abusing their children, Margaret's history of bipolar illness takes on a whole different cast.

POIGNANT PR

Common Ground is all about the heir to the Trudeau throne.

The book is persuasive and well put together, probably with help from a seasoned journalist. It flows like slick PR, but has much-unhealed trauma in the margins. Posing as saviours, Trudeaus and Sinclairs may be well-paid agents of national decline, but their story is emblematic and unavoidable.

Here and there, a reader encounters tragedy almost worthy of a Russian novel. Certain passages actually moved me to tears: his parents' divorce and the loss of his brother. His love for his mother, who skidded into depression while partying with rock stars and royals.

As for the politics - you're not really interested in Liberal rhetoric, are you? Young Trudeau manfully appeals to Liberal platitudes: tolerance, openness to cultural differences, gender equality, all of which sound good after the Harper Decade.

There are odd references suggesting the author has rubbed shoulders with elite perverts. Prince Andrew and the Starlight Foundation. Jacques Hebert and Katimavik. West Point Grey Academy and his mate Christopher Ingvaldson, convicted of possessing child porn.

(Justin Trudeau with his father Pierre Elliot Trudeau at a Montreal Expos baseball game in 1987.

Pierre Eliot Trudeau was Canadian Prime Minister from 1968-1984)

All in all, Justin's very likable, although Post Traumatic Stress glimmers from his eyes. In *Common Ground*, he reminds us that everyone has a story to tell. Justin could have flown away like Le Petit Prince, but instead is doing his utmost to move back to the scene of his childhood trauma: the cold, drafty mausoleum called "24 Sussex Drive."

New First Comment from D (an insider):

While in university, friends from West Vancouver knew Margaret Sinclair and her family. I was told by Margaret's friends, some years after the event, that very early in her marriage to Pierre Trudeau, while living in the Prime Ministerial home in Ottawa, she had arranged to be away for a weekend, but something unexpectedly came up, and she returned home to walk in on a full-blown orgy, replete with little boys and at least one goat. Let your imagination run wild, for apparently everything imaginable was well underway. In shock, she was promptly ushered away by Trudeau, and was soon at the Allen Memorial Hospital, in the care of Ewan Cameron, who made certain she had a well managed "breakdown". This is what is behind the nervous breakdown she supposedly had, which was dutifully "handled" by the press for public miscomprehension. Yes, Trudeau was a satanic pedophile who was recruited early on in his life to serve Luciferian intent. By the way, he met and became a good friend of Fidel Castro not following his election as Canadian P.M. Rather they met at a communist training camp in Algeria in 1948. Castro, when meeting Justin at the age of just a few months, is on record as saying, "It's a pleasure to be in the presence of the future Prime Minister of Canada." Yes, absolutely, Justin was subjected to whatever conditioning was needed to create this Manchurian Candidate who is currently performing his long ago programmed role to advance the satanic agenda.

Your information about Pierre Trudeau

is exceedingly important and makes huge sense according to Jack English see <http://cuabcm.com.blogspot.com> who has advised me, today, as follows:

(Trudeau in satanic tongue gesture)

(<https://web.archive.org/web/20210706072933/https://fellowshipoftheminds.com/2013/11/23/the-meaning-of-miley-cyrus-tongue/>)

Trudeau was a pedophile and Paul Hellyer was informed of this by Patrick Walsh who was Trudeau's RCMP bodyguard as I recall...

and English says ...

Hellyer and Walsh were so shocked by the discovery that Trudeau was a Satanic Pedophile that they convened a meeting at Hellyer's Resort to discuss removing Trudeau from office, but for reasons unknown, it did not proceed. It would be good to be able to discuss this with Paul and set the historical record straight.

My friends in the Canadian military have previously corroborated the reports from Mr. English and the information you have posted on your web site.

We have published important information about Mr. Trudeau at the Water War Crimes web site including

1. That he sent his wife Margaret to the MK Ultra Brainwashing Hospital - The Allen Memorial Hospital in Montreal when she had her nervous breakdown.

(India trip. An embarrassment to all Canadians and well as hosts.)

2. That Margaret was treated by Dr. Pivnicki the father of Brian Mulroney's wife Mila. This was no coincidence.

3. That his son Michel was in a near-fatal accident, probably a targeted hit, in Brandon Manitoba six months before he was killed on Friday the 13th in a suspicious avalanche in November 1998 a month when avalanches are very rare.

4. That Trudeau was part of the plan to loot Canada's water export revenues.

Gertjan Zwiggelaar's book The Horror - free at http://rense.com/DtRH_LITKORAN.pdf

(https://web.archive.org/web/20210706072933/http://rense.com/DtRH_LITKORAN.pdf)- reckons that

"Justin Trudeau is a simple-minded, narcissist; a Jewish lad; we all at DtRH* suspect is the bi-product of a union of a Jewish woman, Margaret Spenser; one of the 13 Illuminati families, and a Jewish psychopath named, Fidel Castro."

That would confirm to other investigators views of these bloodlines (Lauren Moret, Miles Mathis, Fritz Springmeir).

If and when we the people get hold of apps and gadgets that can in short time and cheaply analyse DNA from hairs or dead cells left behind, like in the movie GATTICA, I wouldn't then want to be in their world trying to cover such tracks left behind. Either way they are racing against time, hence they want populations too stupid to avail themselves to such opportunities. Mandatory DNA testing and ancestry revelations for all politicians I say.

(It will be easy for Justin when he has that sex change to put an 'e' at the end of his name to make it Justine, just like Michelle and/or Michael Obama.)

He has attended all major pride parades in Canada - Why? It is not to obtain votes from the majority of Canadians. I am beginning to believe he has sold out to the elite and was engineered to become the party leader for the Liberal Party for the sole purpose of splitting the vote in the PM's favor. There is no advantage for him to capture the gay vote at the expense of the religious majority. He might be a means to an end as a traitor to destroy the Liberal Party; now what a conspiracy that would be if his leadership is all a hoax.

Just for information purposes: Pierre Trudeau's wife, Margaret, née Sinclair, is the daughter of a onetime heavyweight Canadian Cabinet Minister. The Sinclair family, originating in Normandy as the Saint-Clair family, has a long association with Freemasonry, and with the Scottish Roslyn Chapel, of "The Da Vinci Code" fame, since the 15th century.

Two of Trudeau's sons, Justin being one, were born on Christmas Day.

The wife of former Prime Minister Brian Mulroney, Mila, née Pivnicki, is the daughter of a Yugoslavian immigrant who was mentored by Dr. Ewen Cameron, of CIA-financed MK-Ultra fame, at the Allan Memorial Institute at McGill University and himself became a senior psychiatrist there.

Thanks Robert

It doesn't matter who of the three main party leaders get elected, all three are staunch supporters of Israel to the detriment of Canada. All that the powers that be want from the public is to give their "stamp of approval" of those, preselected for office. They call this "democracy"?

Bill S said (April 19, 2015):

Interesting article. Just 3 observations after watching the eulogy video.

First, the idea that we should have deep respect for those with whom we disagree seems wrong to me. People who we consider to be traitors, for example. People intent on destroying our nation and culture, for example. I have nothing but contempt and righteous hatred for them.

Second, the boy said his father had a deep and abiding faith in almighty (I was expecting to hear GOD) Canadian People. What?!@#\$ And nobody flinched!

Finally, he started quivering his voice, as if this was some sort of oratory competition. That's when I turned it off.

Just read the article about Justin Trudeau. I watched a show on Netflix about Hunter S Thompson. It has a recording of him talking about witnessing Margaret Trudeau in an orgy with a group of Hells Angels. He relates how he thought she was being raped at first but realized it was 'consensual'.

I have not read Cathy Obrien's book but I wonder how many names in it are connected to Paul Desmarais and the Power Corporation? I have heard that Desmarais Sr. had a close relationship with the King of Spain, perhaps something akin to Larry Silverstein and Netanyahu. Here is a link to a national post article after Desmarais' funeral in 2013. Bush Sr. referred to him as 'a real point of light' at his infamous 9/11/1991 'NWO/thousand points of light' speech.

Justin Trudeau is a lightweight who will never become PM. He is a stalking horse to ensure Harper is re-elected. proof is the fact he refused to merge with the NDP, the only chance of unseating Harper.
